

## PARK FIELD DAY – June 25<sup>th</sup>

"PARK will have a Field Day site at Hoblitzelle Park

Plano, Texas on June 25th.

Field Day will begin at 8:00 with Mike (KG5TJ) some donuts and coffee and plan out the antenna installation.

Beginning at 1:00, the club will begin transmitting.

We plan to operate 4 rigs this year.

This year we will have a CW station and there will be 3 club radios operating SSB.

Daryl Morgeson will man a GOTA station too!

This should be a much more engaging Field Day as we emerge from the Covid doldrums.

Please come and join us!

Sign up at – <https://bit.ly/PARK2022> so we can get a sense of how many attendees we'll have."
