

Thank you everyone who attended PARKS annual December Meeting / Christmas Party. With this year's post-covid attendance being light, it was great getting back to pre-covid attendance with 46 members and guests in attendance!

This coming year we have a lot to look forward to: 2023 is PARKS Golden Jubilee, marking 50 years of Ham Radio camaraderie and public service. Mark your calendars for the July 17th celebration. Winter Field day is just around the corner, and we have lots of interesting and informative Programs / Guest Speakers on tap.

Don't forget ... we have a prolonged period of subfreezing temperatures and dangerously cold wind chills forecasted to begin tomorrow (Thursday) and continue into the Christmas weekend. Check your batteries and other emergency equipment in case you need their use. Protect your plants, animals and plumbing. And stay safe.

73, and see you on the air,

Tim
